

Storm, fire, earthquake, police activity, terrorism.

## WHERE EVERY SECOND COUNTS...

How does your school communicate with parents?

Alert all parents and staff in minutes using K12mobile broadcast text messaging!

Free Efficient and fast distribution of crucial information

- 📱 Save critical notification time
- 📱 Free up administrators for other important initiatives
- 📱 Complement manual calling tree procedures
- 📱 Reach hundreds of people in minutes
- 📱 Leave phone lines open for necessary calls

K12mobile is hassle free!

- 📱 No software to install, just go online or make a call!
- 📱 No hardware needed, all you need is a web browser or cell phone
- 📱 No technical knowledge needed, no training required
- 📱 No setup required, as parents register themselves
- 📱 No telephone equipment to buy or phone lines to install

K12mobile should be a part of every School Emergency Plan!

### To register ...

Designed to compliment existing communication procedures, K12mobile can be up and running in days with minimal setup required by the school.

Let your school know about the availability and affordability of K12mobile. Visit us at <http://www.k12mobile.com> today.
